Miss Alberta's song to Premier Douglas of Sask.—
"You can't come and play in our yard; you can't climb our apple tree."

We have heard lots about the Canada-U.S. boundary, but the boundary line the world is talking about today is Alberta's Eastern one. Not a soldier along its friendly border; not a gun. But it stopped the newly powered C.C.F. party as clean as a whistle. Why, it's almost another English Channel.

Did you hear of the moron who went to the football game. He thought a quarter back was a refund.

Duck Season Opens

The Department of Mines and Resources, Ottawa, has just issued the Regulations regarding Migratory Birds for the current year.

From one hour before sunrise September 4, to one hour after sunset November 25.

Throughout the remainder of the Province of Alberta: From one hour before sunrise September 15, to one hour after sunset December 16.

The possession of migratory game birds killed during the open season is allowed in Alberta until March 31 following the open season.

Knox Senior Ladies Give Farewell Tea

Mrs. W. M. Thurlow, who is leaving the district shortly to reside in Calgary, was entertained to a farewell tea by the Knox Senior Ladies Aid, at the home of Mrs. W. Gillrie on Tuesday afternoon.

Mrs. Thurlow has been one of the most active workers in the Ladies Aid for many years, and in recognition of her good work and as a remembrance, she was presented with a beautiful table lamp. The presentation was made by Mrs. F. W. Leeson and Mrs. W. J. McCoy.

All expressed their regret at her leaving the district, but wished her well in her new home.

Young Married Couples Enjoy Celebration

An anniversary party was held at the home of Mr. and Mrs. Ian Stauffer, in honor of all couples of the Didsbury district and surrounding, who were married between the dates of June 1st, 1942, and June 30, 1943. Games were played and everyone visited and had a grand time. When lunch time came everyone went outside and had wieners and coffee at a bonfire in the yard, then inside for ice-cream and cookies.

A souvenir gift was received by all, and the host and hostess were presented with a lovely carving set.

The couples present were: Mr. and Mrs. Ian Stauffer, Mr. and Mrs. S. Hooper, Mr. and Mrs. Lynn Hunsperger, Mr. and Mrs. L. Snyder, Mr. and Mrs. Herb Dedels, Mr. and Mrs. B. Payne, Mr. and Mrs. J. Snyder, Mr. and Mrs. A. Snyder, Mr. and Mrs. V. Foat, Mrs. Gordon Dedels and Mrs. Alfred Cook. Husbands of the last two names mentioned are overseas; Pie Gordon Dedels stationed somewhere in England, and Lt./Cpl. Alfred Cook, somewhere in Italy. A card for each of these boys overseas was passed around and autographed by all, to be sent to them personally.

Several couples were unable to attend on account of the bad storm on Friday night, but we hope that next time weather conditions will be more favorable.

Notice To Cemetery Plot Owners

The Didsbury Cemetery Board held a meeting for the purpose of discussing improvements to the cemetery, namely, fencing, levelling and seeding the new part, which was purchased a short time ago.

When the cemetery was surveyed in 1904, the price of these plots (10x20 feet) was \$5.00, later the price was raised to \$8.00. At that time the upkeep was not taken into consideration.

The present cost of these plots is \$25.00, which includes the upkeep. The original owners have had the benefit of the upkeep for several years without paying for it.

The board has decided the cost to all plot owners must be equal, therefore, those who have paid either \$5.00 or \$8.00, are requested to make up the difference to the amount of \$25.00.

It will take considerable work and money to bring the new part of the cemetery up to the standard of the original cemetery, and money is urgently needed.

The Didsbury cemetery is one of the best of its size in the province, and our aim is to keep it up to this high standard.

All plot owners are asked to kindly attend to this matter at once, and get in touch with the Secretary-Treasurer.

Fred Moyle, Chairman
H. M. Reher, Trustee
J. V. Berscht, Sec-Treas.

Evangelical Church Notes

"Ezekiel's Vision" will be the theme on Sunday morning at 10:30.

The young people will have charge of the evening service at 7:30, when Mrs. A. M. Amacher will speak.

Services will be held at Jutland school at 2:00 p.m.

Government Returned

The Alberta Social Credit Government went back into office on Tuesday night, when on a surge of votes, they were carried into office with an increased majority.

The result was never in doubt, and by 7:25 p.m., within half hour after the city polls had closed, the victory was conceded to the Social Credit.

With the exception of Bantl Cochran, in every rural riding Social Crediters are either elected or leading, and in the cities only two opposition candidates. Mayor Davidson of Calgary, and Elmer Roper of Edmonton, leader of the C.C.F., have been definitely elected.

On Wednesday morning, the standing was:

Elected	40
Social Credit	1
Independents	1
C.C.F.	1
Leading	
Social Credit	9
Independent	4
C.C.F.	1
Veteran's Candidate	1

Word has been received by Mr. and Mrs. Ben Good that their son, Wesley, died from wounds received on the Normandy front on July 20th.

Thanks

I wish to express my thanks to the people of Didsbury and district for the support they accorded me in Tuesday's election, which resulted in such splendid victory.

I also wish to thank all the workers throughout the district who rendered such able assistance at the polls and during the campaign.

The World of Wheat

by H. G. L. Strange

A WORTHY ORGANIZATION

The Canadian Seed Growers Association recently met at Saskatoon and celebrated its fortieth anniversary. These men gathered together at Saskatoon, just as they have gathered together in different provinces for each of the past forty years—and at their own expense—to discuss, not ways and means of raising the price of seed, or of advancing their own welfare, but solely methods of improving the quality of their product—Registered seeds.

In 1904, when the Association started, it had a membership of 93 farmers who produced seed of 43 different kinds, varieties and strains of crops. Today the Association has a membership of 2,600 who produce seed of 271 different kinds, varieties and strains.

I found myself thinking what a fine unselfish body of men they were, for no seed grower has ever accumulated much, if any, extra money through the exciting additional work that seed growing requires; indeed most of them tell you that seed growing has brought them in no extra profit, but that they do enjoy the realization that their work helps to maintain the high quality of Canadian grains and other products flowing to world markets, hence that they are contributing towards the welfare of their fellow farmers.

Notes From the West.

Cpl. and Mrs. D. W. Sutherland received a letter on Wednesday last from their son, Robin, at Miami, Florida, where he had stepped off for breakfast on his way to the Bahama's.

Loleta and Alice Coleman, of Cremona, are visiting their aunt and uncle, Mr. and Mrs. Earl Grace.

Cpl. D. W. Sutherland has spent his two week furlough at his home.

Among those from the west attending the Farm Women's Week in Olds, were Mrs. Davies, Mrs. C. Gibbs, Mrs. E. Lowrie, Mrs. J. Hosegood, Mrs. Wahl, Mrs. McFarlane and Mrs. Cowitz jr. All report a very good time, with a large crowd in attendance.

Mr. and Mrs. J. Bagshaw returned Thursday from a trip to the coast. They visited Mr. and Mrs. Stuckey, now of Langley Prairie and formerly of Westcott.

Lionel Lynch, who has been overseas about 4 years, was mentioned in dispatches last week, for conspicuous bravery.

Mr. and Mrs. Hogg visited with Mrs. E. Lowrie on Sunday.

A disastrous hail storm hit north of the town line on Sunday evening, with many crops not previously hailed being almost totally wiped out. The storm lasted for more than half an hour leaving the ditches full of hail stones larger than marbles. It was followed by a very heavy rain storm.

Tells of Visit to Rome

The following is a letter received from CQMS All Brusso, who is in Italy:

July 10, 1944
"This week has probably been the most pleasant I have spent since leaving England. The reason was a three day trip to Rome. It's really a marvellous place, quite unlike any city I've seen in this part of the world. It's a clean, modern place, with wide streets, pleasant parks and up to date shops. Mingled in with it all are the old Roman ruins dating back to the time of the Caesars and the pre-Christian era. At the bottom of steep terraced banks, the river Tiber winds its way through the city. Numerous bridges cross the river, but unfortunately, I didn't see the one held by Horatius. No doubt it's there.

Several of us hired a very well educated, English-speaking guide. We then hopped on the truck and he proceeded to show us around. As we visited the Pantheon, the Royal Palace, the Colosseum, Victor Emmanuel's monument, numerous fountains and statues, he continued to pour out historical facts and dates. The wonderful architecture and the thrill of seeing places where history was made, were highlights. I can't begin to describe it all. Sufficient to say, it was entertaining, educational and very enjoyable.

The highlight of it all was visiting St. Peter's and the Vatican. The size and splendour of the church are nearly beyond imagination. The columns that support the dome are as large as the average church. The church is designed in the shape of a perfect symmetrical cross. The designer, Michael Angelo, had a beautiful sense of balance and rhythm. Along the sides there are many richly appointed altars, all leading to the main altar at the head of the church. There, under wonderful sights of gold and ever-burning flames, is the tomb of St. Peter. From this altar, no one but the Pope may say mass.

The walls and ceilings are covered with statues and pictures. The ceiling design and all the pictures are in mosaic work. They are wonderful. The sculpture work has been done by the world's best, so you know what that means.

The day we were there, the Pope gave special audience to the Canadians on the Vatican. About 1000 of us were crowded into a lovely large room to see and hear him. He entered, dressed in white, accompanied by a Cardinal. In a short speech he welcomed us, complimented Canada, and said he hoped we would be safely home soon. As a memo of the occasion, we each received a picture of the Pope and his medalion.

It would be impossible to see everything of interest in such a short time. However, I did cover the seven hills by the Tiber, and next time if I go back, I hope to see the forum and the catacombs, and of course, the lovely fairs.

All is well with me, so please don't worry. I hope you are getting on as well as I am. Space is short, so for now — God Bless."

Rebecca Activities

On July 26th, 12 ladies assembled at the home of Betty Broadhurst to pack parcels for the boys overseas. During the afternoon, eight parcels were packed. The ladies generously donated cookies, chocolate bars, gum and other articles, which will be surely appreciated by the boys in England and Italy. We also wish to acknowledge donations of money by some of the community folk. This money was intended for postage on these parcels.

The next meeting is to take place at the home of Mrs. Erwin Brower on Wednesday, August 23. At this meeting, donated articles will be packed into a sailor's ditty bag.
